## DDJ-REV5 Firmware – Change History

### Ver. 1.02 (October 29, 2024 Update)

[IMPROVED]

- ✓ Following the Eco-design Directive (Directive 2009/125/EC) of the European Union, the time needed for the unit to automatically switch off has been changed to 20 minutes when the Power Management function is turned on.

Please note:

- The name of the energy-saving function, (previously called Auto Standby or Auto Power-Off, depending on the model), has now been changed to Power Management.
- To learn more about the Power Management function, see the latest Instruction Manual, which is available online.
